

Ten Pieces \$345

THIS mahogany Dining Room Suite of ten pieces is an exceptional value, complete at \$345. The characteristic features of the period of William and Mary are correctly portrayed in this splendid suite, made of richly figured mahogany.

COME in tomorrow to see this beautiful display of dining suites—thirty of them—arranged separately in rooms. Somewhere between a smart modern Black Enamel Suite, striped in Pompeian red, at \$202 and an exquisite Chippendale Suite at \$934 you will find exactly the right furniture for your dining room. It may be a solid Mahogany Adam Suite at \$245 or a Louis XVI. at \$585. Whatever you select, you can rest assured the period is authentic, the materials what we say they are, and the price as it should be.
